

QUALITY POLICY

MORE THAN A ROCK

Rockwool Limited is the UK subsidiary of the Rockwool Group, the world's leading producer of stone mineral wool insulation products that provide thermal insulation, fire protection and acoustic performance. Our products are made from natural, recyclable stone making them durable and sustainable.

We make and supply a full range of smart and sustainable insulation products for the construction industry based on innovative stone wool technology. Our sister companies deliver specialist solutions for the horticultural, marine and offshore sectors

We do this by

- Maintaining a quality management system that meets the needs of the customer, fully complies with the ISO 9001:2008 Quality Management System, and adds measurable values to the company.
- Continuous improvement throughout the business.
- Ensuring compliance with all industry related standards, legislations and internationally recognised standards of approval.
- Empowerment of Rockwool employees
- Communicating this policy proactively with all Rockwool employees to gain understanding and support to achieve the Company goals and objectives.

This policy forms the basis of establishing and reviewing the business objectives and strategies. The policy will be reviewed to align with business direction, to ensure continued suitability.
